## Public interest Wikipedia

January 16th, 2019 - Overview Economist Lok Sang Ho in his Public Policy and the Public Interest argues that the public interest must be assessed impartially and therefore defines the public interest as the ex ante welfare of the representative individual Under a thought experiment by assuming that there is an equal chance for one to be anyone in society and thus could benefit or suffer from a change the

## Fundamental justice Wikipedia

January 17th, 2019 - In Canadian and New Zealand law fundamental justice is the fairness underlying the administration of justice and its operation The principles of fundamental justice are specific legal principles that command significant societal consensus as fundamental to the way in which the legal system ought fairly to operate per R v Malmo Levine These principles may stipulate basic procedural

## Public interest

January 20th, 2019 - Public interest is a concept that refers to the welfare of the community as a whole. It is a principle that guides the actions of governments and other public institutions. Public interest is often used to justify government intervention in the economy and in other areas of public life. It is a concept that is central to many theories of public policy and political theory.
